

B. C. S. Bulletin To Old Boys

VOL. XX No. 1

COMPILER: H. L. HALL, M. A. ('16-'27) NOVEMBER 1960

The appointment of Ogden Glass ('28 - '32) to the position of Principal and Vice-Chancellor of Bishop's University reflects credit on his own personal qualities, his School and the conscientious work he did when for the past ten years he was its Headmaster, and the appointment of F. R. Pattison as Headmaster of the School, whose proven abilities in this capacity during the years 1942-44, again from January - June 1950 and more recently during the whole of the Trinity Term 1960, justifies the confidence which the Board of Directors has placed in him. To Principal and Mrs. Glass and to Mr. and Mrs. Pattison, Old Boys offer congratulations and every best wish in their respective tenures of office.

THE THANKSGIVING WEEK-END: OCTOBER 8-10

Perfect Autumn weather added immeasurably to the success of the week-end. Sunday morning, St. Martin's Chapel was crowded for the Service conducted by the Chaplain, the Rev. H. Brandwood, who, taking as the text for his sermon, Hebrews 11-8, " --- And Abraham went forth, not knowing whither he went," developed very appropriately a Thanksgiving theme in which Canadians and Americans have reason to be grateful and thankful for the heritage handed down by the Pilgrim Fathers. Mrs. Robert Bell, L. Mus., was at the organ and played Filby's "Offertoire" and Walther's "Chorale in G" as Preludes and Wider's "Toccata" as Postlude. The Choir under the direction of G. B. Seager, Esq., ('43-'47), gave a fine rendering of Stanford's "Gloria in Excelsis". The two Lessons were read extremely well by V. Mills and J. Rogers.

Sunday afternoon from 4.30 to 6.00, the Headmaster and Mrs. Pattison received the many parents at a Tea and Reception in the School Dining Hall. Monday morning, the annual football game between the Old Boys and the School took place, the Old Boys defeating the School. At 11.30 Prize Giving took place in the Gymn. Seated on the platform with the Headmaster were: Principal Glass who gave out the prizes, the Chairman of the Board of Directors, Mr. Justice Mitchell, R.R. McLernon, G.A. Sharp, W. Morgan, D. Doheny, W. Davis, J. Baillie, E. Webster, D. McNeill, D. McMaster, Col. Brine, J.G. Patriquin, H. Price, G.H. MacDougall, C. M. Drury, O. Carter. Luncheon at two sittings in the School's Dining Hall brought the week-end's activities to a close.

SCHOOL NOTES -

The New Residence, constructed by Newton & Co., Sherbrooke, on the School Drive just below the Tennis Courts, which was completed in early June and inspected by many at the June Closing, now houses 48 boys. E. B. Pilgrim and family live in the Housemaster's house at one end, and his assistant, R. Bédard and family in a similar house at the other end. A suite of rooms for a master is also provided and is now occupied by Mr. Clifton, assistant to Mr. Moffat at Chapman's House. The boys are two in a room, and provisions for lockers, showers, wash-rooms, hobby rooms, a reception room for parents and a large, handsomely furnished lounge, make this Residence a fine addition to the School's buildings. Our congratulations to the architect, H. Langston ('27-'32) and to the School's supervisor during construction, F. Taylor, Esq., assistant to Mr. Lunderville, the School's Business Manager.

In the School House building, C and D dormitories have been converted into a III and IV form class room; and their wash rooms into a School House Common Room, and a Smoking Room for those who have Parents' Permission, each room having tile flooring and comfortable furniture. All the boys of School House --64-- now sleep on the top floor. The Prefect's Room and a Head Boys' Common Room are now located on the second floor. The Prefects' Rooms formerly located on the first floor are now a Ladies' Rest Room and a stationery and book room. The Smoking Room in the basement has been converted to provide additional wash-room facilities. No structural changes have been made at Smith House (R. L. Evans, Housemaster, 28 boys), at Williams House (A. Campbell, Housemaster, 27 boys) nor at Chapman's House (G.H. Moffat, 20 boys). Mr. and Mrs. Pratt and family have moved to the Campbells' former residence.

Old Boys and present members of the School all join in extending hearty congratulations to Miss E. F. Molony, who last year completed 50 consecutive years of loyal and devoted service as Secretary at B. C. S. No other person connected with B. C. S. has ever come anywhere near such a record, and on October 8th, the Chairman of the Board of Directors. Mr. Justice Mitchell, in the presence of Directors and members of the Staff, presented her, on behalf of the Directors with a stereophonic high fidelity record player and radio combination and a collection of appropriate records as a mark of their appreciation of all she has accomplished for B. C. S. through the years. In his remarks, to which Miss Molony replied in an appreciative and appropriate manner, the Chairman expressed the hope that her loyal and devoted services would be available for many more years. And all connected with the School heartily concur in these words and express best wishes to her for the future.

As we compile these notes (late October), the School has just learned with regret that Dr. T. J. Wells, the School's doctor, and Mrs. Wells are both in hospital in Montreal. We express to both every best wish for a speedy and complete recovery.

We extend a hearty welcome to the following: Mrs. Frances Curle, Matron in the Upper School, came to Canada over a year ago and spent the past year as House Mother at the Internes' Residence of the Montreal General Hospital. She has travelled widely, as her husband when he was alive filled many diplomatic positions; E. E. Denison, Esq., B.A. (Bishop's), E. D., 1st Class Quebec High School Diploma, Order Scholastic Merit 2nd degree, was for a number of years Principal of Lennoxville High School and formerly Commanding Officer of 7/11 Hussars (16 Arm'd. Reg't.) RCAC; the Rev. H. H. Brandwood, B.A. (Oxon), Chaplain; J. F. Clifton, Esq., B.A. (Cambridge), assistant at Chapman's House; A. S. Troubetakoy, Esq., B.A. (Sir Geo. William's), living in School House; R. C. Pollard, M.A. (Oxon) and H. D. Wellard, Esq., B.A. (University of Manitoba) appointed to the Preparatory School; F. Taylor, Esq., assistant to Mr. Lunderville, the Business Manager; Messrs. H. Wright. Chief Engineer, and M. d'Anjou, Chef.

Our best wishes go with the following who left the School last June: Miss M. Watson; W. R. M. Converse, Esq., taking his M.A. degree; C. J. Gummer, Esq., returned to England to enter business; P. Allmond, Esq., returned to Australia to teach there.

Congratulations to Messrs. R. Owen and A. Campbell on their being appointed Housemasters to School House and Williams House respectively, and to Capt. S. F. Abbott on his being awarded the Canadian Long Service Medal.

The Choir is grateful to G. B. Seager, Esq., for his interest and hard work in maintaining the high standard it has reached.

The School records with deep regret the deaths of the following, and to the members of the respective families, we express our sympathy:

Prof. R. Havard, Sherbrooke, who for over 15 years taught music at the School, died on August 1; Mrs. M. Young, widow of R. L. Young, Esq., who for the past five years helped in the School Office, died in Sherbrooke on Sept. 23; Mrs. N. Doheny, wife of D. Doheny ('27-'34), Esq., Member of the Board of School Directors, who died in Montreal on Sept. 28.

We are glad to report that Miss Morrisette, the School Nurse, and Miss McKeon, the Headmaster's Secretary, are still with us; and we wish them to know how grateful we are for all they do for us.

Alf Rodell, Ted Thorne and Emile Dussault, who have all been at the School for many years, are still carrying on and we do not forget them in our thanks.

PREP SCHOOL NOTES:

Twenty-five new boys joined the Prep. this year and these include two sons of Old Boys, Peter Hanna and Ken Hugessen. Remove form with 24 boys is subdivided into two groups for all subjects except History, Geography and Arithmetic. Form 11 has 13 boys and Form 1 nine. Greater emphasis is being placed on Reading and Reading Comprehension, and to allow for the extra time required. Latin, Algebra and Geometry have been dropped, for the time being at least, from the syllabus for Form 11.

The soccer season has ended, and once more B. C. S. has retained the Wanstall Cup by defeating Selwyn House by a one goal margin in each of home and home games. We bowed our heads in defeat to the King's Hall team, but a happy time was had by all.

We now anticipate another extremely active hockey season, with three teams again entered in the Q.M.A.H.A.

At Christmas, the Prep. will continue its tradition of giving, and contributions from every boy will be placed under a tree for eventual distribution to families of those less fortunate than ourselves.

We are glad to say Miss Reyner is still with us -- now in her 21st year of service to B. C. S. Prep.
